

Homework Tips

The following tips are offered to help you in completing homework.

- Decide, together with a parent/guardian, on the amount of support that you will need to complete your 50 – 60 minutes homework. Homework is your responsibility but support and encouragement from a parent/guardian is welcomed and helpful!
- Find a place to work that is quiet and free of distractions. Schedule a time each day for homework.
- Show your parent/guardian what you have assigned for homework. Be sure you understand what you are asked to complete? If you are confused, consider calling a classmate or your teacher who can help you.
- After completing your homework, show your parent/guardian that your work is complete, neatly written and carefully edited.
- Have the necessary tools at home. Please let me know if there are things you don't have.

ruler	meter stick	scissors	glue stick
loose leaf	eraser	tape	markers
dictionary	highlighter	pencils	pen
- Eating **healthy** can help you concentrate and stay focused while completing your homework! Save the treats until after your homework is complete.
- When you feel challenged with homework, this is not necessarily a bad thing. Try to stick to it or get assistance from a parent or friend.
- Make homework your first priority. Watch TV and play electronic games, when your homework is completed.
- If you have difficulty remembering or completing your homework, talk with your parent/guardian or teacher to develop strategies that will help you.
- Plan ahead! If you belong to clubs, sports teams, etc. plan ahead so that your homework is completed on time and you are able to enjoy other activities which are also important.

Parent/Guardian:

Please sign your child's homework notebook each week to show that you have looked it over and it is complete. Check for notices, newsletters, etc. If you have tried supporting your child with his/her homework and he/she is still having difficulty, please call me so we can work out a solution together.

I have reviewed this handout with my parent/guardian.
